FAZENDAS

A wide-angle photograph of a dirt road stretching into the distance. The road is reddish-brown and has two faint white lines down the center. On the left side, there is a small, open-sided structure with a corrugated metal roof, partially obscured by a large green tree. The landscape is flat and covered in green grass and shrubs. In the background, there is a line of trees and a utility pole. The sky is filled with large, white, fluffy clouds. A logo is overlaid in the center of the image.

FAZENDAS

A tall, weathered wooden utility pole stands in the center of the frame. It is supported by several power lines that stretch across the sky. The sky is filled with heavy, grey clouds. In the background, there are several large, leafy green trees. The foreground shows a grassy field. A watermark is overlaid on the pole, consisting of a stylized wave icon above the text 'MIL' and a red rectangular box below it containing the text 'FAZENDAS' in white.
