FAZENDAS

An aerial photograph of a vast, green landscape, likely a rural or agricultural area. The terrain is covered in dense, vibrant green grass and is dotted with numerous trees of varying sizes and shades of green. The trees are scattered across the field, creating a textured appearance. In the center of the image, there is a prominent logo. The logo consists of a stylized, light-colored arch or bridge-like shape above the word "MIL" in a bold, white, sans-serif font. Below "MIL" is a horizontal orange bar with the word "FAZENDAS" written in a white, bold, sans-serif font. The overall scene is bright and natural, suggesting a healthy and well-maintained environment.

An aerial photograph of a rural property. The landscape is a mix of green grassy fields and dense green trees. A dirt road winds through the area. In the lower-left quadrant, there is a white-roofed house. To the right of the house, a blue car is parked on a dirt path. A large, semi-transparent watermark is centered over the image. The watermark consists of a stylized house icon above the letters 'MIT' in a large, grey, sans-serif font. Below 'MIT' is a red rectangular box containing the word 'FAZENDAS' in a white, bold, sans-serif font.

An aerial photograph of a rural property. A large, irregularly shaped pond with yellowish water is the central feature. The pond is surrounded by dense green trees and vegetation. A dirt road or path winds through the property, leading to a white-roofed house on the right side. The overall scene is lush and green, with some areas of bare earth or dry grass. A watermark is overlaid on the center of the image.

This is an aerial photograph of a rural property. The central feature is a large, irregularly shaped pond with a yellowish-green hue. To the left of the pond, there is a dense forest of tall, thin trees. A white building with a dark roof is visible in the upper left quadrant. A dirt road or path winds through the property, connecting the building to the pond area. The overall scene is a mix of natural vegetation and man-made structures.
